It is noted that the species election is a requirement under 35 U.S.C. §121. As such, it is understood that if claims directed to a non-elected species (i.e., claims directed to the species disclosed in claims 57-75) are made the subject of a divisional application, any patent that issues from the present application shall not be used as a reference against the divisional application (or vice versa).

The Examiner is invited to contact Applicants' Representatives at the telephone number listed below if prosecution of this application may be assisted thereby.
